---

## **The Wrath and Justice of God**

## **Trinity**

One God, in Whom exist three co-eternal and co-equal Persons: God the Father, Son, and Holy Spirit. All being God, but distinct in Person.

God's wrath — God hates all sin.  
God's justice — God will rightly  
punish all sin.

If we only teach that God is love, then  
we have created a false image of God.

The wrath of God for your sins.

**Application:**

---

We should be thankful and praise Him that all sin will be justly punished by Him.

We should not view sin lightly just because it is socially acceptable.

We praise God for providing salvation from His wrath.

We should be more active in telling others about the coming wrath of God and how to be saved from it.
